

Mr. Dunn  
Agricultural Mechanics I

Name: \_\_\_\_\_  
Date: \_\_\_\_\_  
Period: \_\_\_\_\_

### Push Stick Project

1. On your drawing paper layout a grid that is 10 inches by 3 inches. Make the grid using 1 inch squares.
2. Once you have your grid laid out have Mr. Dunn Check it. \_\_\_\_\_
3. Sketch the push stick onto your grid following the drawing below. Be as accurate as possible. This drawing will act as your template for cutting out the push stick.
